Go to victoryccc.org/notes for the teaching notes/outlines. Get a notebook, print and save for reference and use often as needed. Send these weekly series to everyone you know needing CHANGE in their THINKING, BELIEVING & SPEAKING to what God's Word says...It Is Written!

Today we're fasting from the thought that says:

"What's going to stop tragedy from happening to me?"

Let's change it today:

1. You don't have to be lucky. You're BLESSED. (Galatians 3:9, 13) Blessed coming in and going out. (Deuteronomy 28:6)

2. Think FAITH, not FATE. Rid your mind of a fatalistic mentality. God's plans for you are for good and not calamity. (Jeremiah 29:11) Believe this promise is for you TODAY.

3. Adopt a BLOOD COVENANT MENTALITY. The children of Israel were protected from disaster by putting blood over their doorposts. (Exodus 12:23)

4. Renew your mind to the BETTER COVENANT. You have the blood of Jesus which gives even BETTER protection and provision. (Hebrews 8:6)

5. Think victor not victim. You are not a victim of Satan's plan to steal, kill and destroy. You are a vital part of God's plan to give you life abundantly.

6. Embrace you have the God ordained RIGHT to divine protection. Expect it. Psalm 91:10 says NO EVIL SHALL BEFALL YOU.

Think It & Say It:

- I am blessed coming in and going out.
- I don't need luck and I don't live by fate.
- I live by faith.
- I am safe under the shadow of God's covenant with me.
- I am destined for God's great plan for my life, in Jesus' Name!
