THE JOY OF BEING LED BY THE HOLY SPIRIT THROUGH HUMAN SPIRIT

We are living in the end time, so we are seeing many things come to pass in the world that have been predicted in the Bible. There may be many things going on in the world that we don't understand, but that's ok. If we understand the Spirit of God, that's all we need because when we come up against things that we can't reason, the Spirit of God will take you places that you can't go on your own thinking & reasoning.

When the HS leads & guides you then you're being led by the Spirit of God. So, how does the spirit inside you lead & guide you? How does this happen? God speaks to us mainly through the inward witness & the inward voice-the voice of inward man. God enlightens & guides us through our spirits. His plan was for all believers to be Led by His Spirit because we have situations & circumstances that require more than we can reason & know in the natural. So, we get beyond reason into the Spirit, which is the real world.

Rom.8:14-(14) As many as are led by the Spirit of God, they are the sons of God. "Sons" is applied to all believers. It is our new, born-again spirits that hear God's voice. God has spoken and still does speak in an audible voice at times, but very few of us experience an audible voice of God. He speaks to our inner person (spirit), and our inner person hears Him. This inward witness is the main way that God that God leads us. 2Cor.4:16- For which cause we faint not; but though our outward man perish, yet the inward man is renewed day by day. We have the indwelling presence of Christ, and that is more than enough to supply any need we will face. Stress and burnout come from facing our problems in our own strength instead of drawing on the spiritual life of Christ inside us. When the Lord is in

control, we can "run, and not be weary; and . . . walk, and not faint" (Isaiah 40:31) because God works through the heart & satan works through the senses.

This inward man is our spirit-The real you. The outward man is the house we live in.(body)

The problem comes when we aren't controlled by our spirits but are walking in the vanity of our minds. The Bible calls this walking in the flesh instead of the Spirit. (15) For you have not received the spirit of bondage again to fear; but you have received the Spirit of adoption, whereby we cry, Abba, Father (16) The Spirit itself bears witness with our spirit, that we are the children of God: This "spirit of bondage" is a reference to the old sin nature that it is totally gone from our lives.

Jesus came in the flesh, died & went to hell for us so that we wouldn't have to, & is now at the right hand of God, the Father praying for us. Because of the finished work of Jesus, we live under a new Covenant. He united the HS of God with the human spirit that He gave us so we could communicate with God H.S. to human spirit. Gen. 1:26- Tells us that we are made in the image & likeness of God. And God said, Let us make man in our image after our likeness: **Us refers to Jesus & Holy Spirit. The Son & HS were there at the beginning of time.**

Our spirit is the only part of us worthy of approaching the Lord because When we are born again, we become brand-new creatures in our spirits. That part of us is identical to Jesus & is created in righteousness and true holiness (Eph. 4:24). It stays pure and holy even if we sin, because it's been sealed by the Holy Spirit (Eph. 1:13). We will make mistakes & we have those people that want to keep you in in condemnation & want you to feel unworthy because of the mistake you made. **But Your spirit is sanctified and perfected forever.**

Jn. 4:24-God is a Spirit, & they that worship Him must worship Him in Spirit & truth **God is the supreme Spirit & man is made in the image & likeness of**

God; therefore, man is a spirit being. God brings us up to His level to worship in spirit. He gave us a human spirit so that we can communicate HS to human s.

When we got saved, God connected your spirit to His Holy Spirit. He lives in our spirit & makes His home there if we are Christians. So, if you are saved, the HS lives in you. Since God lives in you it's only fitting that we should turn our lives over to Him to control & guide us. We should be "led by the Spirit of God." After all, He lives in you, if you're saved, & He knows all because the HS is God. (They are 3 in one-God the Father, God the Son, & God the HS) No one works without the other. When the HS leads & guides you then you're being led by the Spirit of God.

After most people receive Jesus as their savior & Join the Church, they stop there. They believe they can do whatever after that. But it's up to you to meditate the Word & renew the mind & learn what it takes to be led by the Spirit of God through our human spirit.

It's a choice that you must make. There are two ways to live your life: 1-By the spirit- through Word of GOD (Jn. 6:63-Jesus said, The words I speak to you are Spirit & they are life) or 2-by the natural also called senses (See, hear, taste, touch & smell).

Deut. 30:19-20-Jesus has done everything for us & set before us life or death, blessing or cursing. He tells you which way to choose, so that you & your seed will live. Even though we live in this world we are not of this world.

Christians have the advantage over those that don't believe because we have the direction of mighty HS of God that came into you when you got born again, if you believe God for it.

Most Christians pray & hope they make right choices. There's a way We Christians can make right decisions every time & that is if we are led by the Spirit of God. We must learn to hear from God & when it's the HS speaking or other voices. The HS is God, He is a person. He speaks to Christians, but sometimes we don't recognize Him. The Spirit knows more than the mind because He is God.

We must learn the difference in what is SPIRIT & what is flesh through the renewing of our minds on the Word. If what we say & do doesn't line up with the Word, then not of the Spirit. Both Spirit & flesh are ways of thinking.
Most Christians have a general knowledge of the Spirit of God, but not enough to understand that God deals with the Spirit & not our flesh. So, man has a limited blessings of God if he is not led by the Spirit & has no Revelation knowledge.
The HS leads us & guides us into the Spiritual things of God & shows us things to come.
You were born of the Spirit when you were saved, but that doesn't mean that you are automatically led by the Spirit of God as some think. Being led by the Spirit is a choice you must make. There is no comparison to the spiritual confidence that comes when you surrender yourself to the control & guidance of the HS - (Led by Spirit of God) It was the HS that drew you to God & is connected to our human spirit instantly. (that's the miracle

of it all-Salvation) **After this, your entire Christian life is spent learning how to live by the Spirit of God.** (What it's all about)
The Christian life lives by the Spirit more than the natural. The H.S. leads us to the Lord & our human spirit is united with the Holy Spirit of God which is part of the New Covenant of Grace.
1 Thes 5:23- separates man into a 3part being.--And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless to the coming of our Lord Jesus Christ God had a plan that if we understand that we are spirit beings, under the N. Covenant, then we can live our lives in the spirit realm & be led by the Spirit. It will help destroy selfishness, hatred & jealousy because it allows the H.S. to dwell in us. It gives us eternal life with God. Gives us a way to live above our circumstances & problems in life. It comes from a supernatural place in God called the Spirit Realm. (Where there is love, faith, healing & all the things that we want from God. The plan is for us to renew our minds on the Word of God in order to think like God.

Just because you're born of the Spirit doesn't mean you're being led by the H.S.
A life led by the spirit is where we have the nature of God in us, and we think like God and obey His Word. It is a life led by Holy S through our human spirit. Rom: 8:6-For to be carnally minded is death; but to be spiritually minded is life and peace. Those who say they are spiritually minded yet are experiencing death are deceived. If they would just dominate themselves with the spiritual truths of God's Word, they would receive only life and peace. I don't have to be with a person to see what they have been thinking. All I have to do is see the dominant fruit of that person's life and I can tell.

1.**Christians should be Led by the Spirit of God** **If We are born of the Spirit so we should choose to be led by the Spirit.** **It involves renewing the mind on the Word.**

Rom. 8:12-13-(12) Therefore, brothers, we are debtors, not to the flesh, to live after the flesh. Since the Spirit is the life-giving part of us, then we should give priority to walking "after" the Spirit and not "after" the flesh. The flesh profits nothing. - So do what Bible says (13) For if you live after the flesh, you shall die, but if you through the Spirit do mortify the deeds of the body, you shall live. This is saying that those who put their minds predominantly on spiritual things will have God's kind of life and that those who keep their minds predominantly on the flesh will suffer all the wages sin can pay. The word "mortify" means "to kill." We are to kill our actions that are not consistent with what the Lord wants us to do. The death of the self-life opens the door to life in the Spirit. Stop Here Betty

1Tim.3:16- And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached to the Gentiles, believed on in the world, received up into glory. The mystery of godliness is great because it is hidden to the natural man and known only to believing hearts. Jesus was God manifest in the flesh. This means Jesus became a human being. He ate, slept, & died as any human. We are spirit beings, have a soul & live in a body. At the new birth our dead spirits are made alive unto God. Christians are completely new in our spirits. The rest of the Christian life is bringing the body and the soul under the control of this born-again spirit through the renewing of the mind. We do this ourselves.

2.Where did the Spirit come from? The Supreme Being of all is a Spirit. The Spirit came from God & Jesus brought it to earth. We are eternal beings. We will live forever whether we go to Heaven or Hell. When our physical bodies die our spirit will come out of it and

go to the spirit realm. The way we live here will determine if we go to Heaven or Hell.

God is a Spirit (He is) & we're made in His image, so our life involves things of the Spirit of God. In Him we live, move & have our being. God had a plan that if we understand that we are spirit beings, under the N. Covenant, then we can live our lives in the spirit realm & be led by the Spirit. It will help destroy selfishness, hatred & jealousy because it allows the H.S. to dwell in us. It gives us eternal life with God. Gives us a way to live above our circumstances & problems in life. It comes from a supernatural place in God called the Spirit Realm. (Where there is love, faith, healing & all the things that we want from God.

The plan is for us to renew our minds on the Word of God in order to think like God.

It is God's will for us to walk by the Spirit of God by the leading of the Holy Spirit through our human spirits. This is the only way that we can be and have what God wants for us.
Your spirit is born again, but you can't live a spiritual life because your soul (mind & emotions) thinks like the world instead of like God.
The soul (Mind, will & emotions) is brought in line with our spirit when we renew the mind on the Word of God. You know your soul is saved when you change your thinking to God's way of thinking. This is what the Bible calls renewing the mind. (Rom. 12:1-2) You learn to think like God thinks.
Gal 5:16- This I say then, walk in the Spirit, and you shall not fulfill the lust of the flesh. God provides Christians with His power through the Holy Spirit to enable us walk by the Spirit to perform His will.
As we experience more of the presence and power of the Spirit of God, the influence of the flesh diminishes.

Godly living is a result of us being led by H.S. & it living in us. The HS will guide your life, but some want to take things into their own hands & do things their own way. We cannot do things our own way & expect to live a Godly life. We aren't strong enough in our own strength to live a Godly Christian life. We must let the Spirit guide us & teach us through the Word. Prov. 3:5-6- Trust in the LORD with all your heart; and lean not to your own understanding. The original sin of Adam and Eve was exalting their own reasoning above that of God (Genesis 3:1-6). There is a supernatural wisdom and understanding that comes from God (We are supposed to rely on his God-given wisdom and understanding, not our own. God imparts this through His Word. When we cease to love, listen to, and be led by God, we are no better than animals. They aren't using the intelligence God gave them. (Jer. 10:14). It is only in our union with God that we can ever fulfill our God-given potential.

We are spiritually dead until we get our spirits enlightened with the Word of God. When we receive God's life in our spirits, we have the creative power of God in us. We must use the WORD of GOD to deal with situations in life. Trust God's word. Study, meditate on it & act on it. **If we read and meditate on the Word of God, then we are in tune with God, and He will speak to us through the Holy Spirit to our human spirit and give us guidance and Rev. knowledge.**

Our spirit becomes more & more confident as we meditate the Word of God & renew our minds. (Rom 12: 2) **The more you meditate on Word, the more you believe it.**

When Satan comes against you with doubt & fear remind him what the Word you have meditated says. When you do this, you are fighting the good fight of faith and you're also living out of your spirit. We understand that everything we get from God, we get by faith so when we exercise our faith in His Word, then that connects us to the spiritual realm.

Christians get in sin and all kinds of trouble because they live at times by the senses, their feelings & circumstances instead of out of their human spirit & they are not as effective as they would be otherwise. Then, when trouble & problems come, we look to God & wonder—why?

We can control our senses, the way we feel, & our circumstances by our thought life by meditating the Word & renewing the mind to think like God.

Out of the abundance of the heart (spirit) the mouth speaks. Our human spirit controls our thinking, so we have train & develop our spirit how to think like God because what's in our heart in abundance will come out through your mouth. We can live by the Spirit. We don't have to be "Holier than thou". life in the Spirit Realm is more than just being saved (Christian) It takes living by the Holy Spirit out of our human spirits, getting our minds renewed & developing our human spirit by faith through the H.S. then the H.S. can open scriptures up to us & we can understand things of the Spirit. It takes walking in the Spirit daily. That just means we can live above our circumstances every day. When we don't walk in the Spirit daily carnality comes in & causes problems & believers are not as effective for God. (See this all the time)

Renewing the mind, to think like God is how we live above our circumstances-That's the real world. —that is to let our human spirits, through the Word of God, guide our reasoning. —living by the Spirit.

We must cooperate with God & operate in Faith. God will move in your life when He knows you operating according to the Faith that's working in you. Eph. 3:20

4. How to get a life led by the Spirit-How do we get there? We don't have to travel anywhere by foot or vehicle of any type to get in the spirit, but we do have to travel in our mind with our thinking and let our thinking line up with the Word of God. We get there by faith in God's Word through the H. S. If you are saved & you believe the Word, you pray the word you're in the spirit because we enter by having confidence to be in His presence. Heb. 10:19 **1 John 3:21 tells us that confidence is the product of our hearts not condemning us. So, if we feel condemned, we don't have confidence or boldness (Rom. 8:1) then we are not in His presence.**

If we take the lead of the Holy Spirit through our human spirit, then we can't go wrong because the H.S. searches hearts of people & knows all things. He will enlighten your spirit and you will be a light to those around you that are living by circumstances and don't know how to get out of them.

We make things happen in the spirit first by meditation and study in the Word. We meditate and study until we believe it in our spirit.

Satan tries to mess up your thinking so you must cast down imaginations. (II Cor 10:5)

Satan's success depends on keeping us ignorant of Spirit life. He uses our mistakes to keep us in condemnation. He tries to make us feel guilty and unworthy by our thoughts-(54-2kd-Li) Satan is behind most demonic spiritual forces causing people to think wrong & take wrong actions. causes a struggle with using our faith.

People sometimes know what God will do but because of things in their pass or condemnation they wonder if God will do anything for them. Well, God is no respecter of persons, so forget those things behind and press on. **Phil 3:14- Brothers, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth to those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.**

Eph. 6:10-12—we're not dealing with flesh and blood or things we can see, but principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. So, when the other person does something to us or against us it's not the person. Its demonic forces using them unworthy by their thoughts-54-2kd-Li

Most people are so used to the physical world of the senses that we are not aware of what is going on in the spiritual world around us. People are not aware that there are unseen things happening all the time.

I Cor. 2:14—the natural man does not receive the things of the Spirit of God: They are foolish to him: neither can he know them because they are spiritually discerned. **When the gifts of the spirit are in operation, natural man doesn't believe it— (prophesy, tongues, intercessory prayer, words of knowledge, & etc.**

God's plan was, & is, that our human spirits guide our reasoning. Believe that the Word you are standing on—the WORD in your heart—will come to pass. Start saying it and watch faith come alive in your spirit. (Inner man) It will happen like you pray—if you believe & receive. HOW TO HAVE A SPIRIT LEAD LIFE--RENEW
